PETITION TO WITHDRAW HOLDING OF ABANDONMENT

February 14, 2007

Honorable Commissioner of
Patents and Trademarks
Washington, D.C. 20231

Applicant herewith petitions for a withdrawal of the holding of abandonment of the subject application.

The subject application became abandoned on January 18, 2007, by the issuance of a Notice of Abandonment which indicated that a timely response to the office letter mailed on May 9, 2006 was not received.

It is correct that applicant did not file a response to the office letter of May 9, 2006.

On the other hand, applicant did not receive the Office Action of May 9, 2006 and this is the reason why no response was tendered.

Attached hereto is an extract from the hand entry office docket book where the term for response to the Office Action would have been indicated. The term would have been indicated on the page written November 8, 2006. The following page is also attached hereto.

Further attached hereto is the computer docket for the subject application, which also fails to show the entry of the Amendment. The undersigned further states that he has reviewed the file of the subject application and that there is no indication that the Office Action was received by this office.

A copy of the Office Action was eventually obtained by this office through the USPTO.gov website and an appropriate Amendment in response thereto is attached hereto.

Accordingly, it is requested that the holding of abandonment be withdrawn and that the prosecution on the merits be resumed.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Michael J. Striker', with a long horizontal flourish extending to the right.
